## Catupecu Machu

I wish it could be so true  
I wish it could be so true  
cause I thought that I was you  
but a song there's for you  
I thought that I was you  
oh yeah  
yeah  
I wish it could be so true  
I wish it could be so true  
cause I thought that I was you  
but a song there's for you  
I thought that I was you  
oh yeah  
yeah  
I miss you  
I really do  
yeah you
