

Never an Easy Way

Morcheeba

I think I slip the net
But I cut myself free
I'm not losing yet
So, don't forget me I'll say it, replay it, and try tomorrow
I'll say it, replay it, and live with sorrow You'd think I learn by now
There's never an easy way
I get through somehow
I'm on my knees to pray You'd think I learn by now
There's never an easy way
I get through somehow
I'm on my knees I'll admit I'm wrong
But I'm getting on track
I've been here too long
I'm under attack I place it, replace it, and try to change
I place it, replace it, and rearrange You'd think I learn by now
There's never an easy way
I get through somehow
I'm on my knees to pray You'd think I learn by now
There's never an easy way
I get through somehow
I'm on my knees to pray On my knees to pray I think I slip the net
But I cut myself free
I'm not losing yet
So don't forget me I'll say it, replay it, and try tomorrow
I'll say it, replay it, and live with sorrow You'd think I learn by now
There's never an easy way
I get through somehow
I'm on my knees to pray You'd think I learn by now
There's never an easy way
I get through somehow
I'm on my knees to pray
I'm on my knees to pray On my knees to pray
On my knees to pray
