

If Today Was Your Last Day

KIDZ BOP Kids

my best friend gave me the best advice
he said each days a gift
and not a given right
leave no stone unturned
leave your fear behind
and try to take the path less traveled by
that first step you take is the longet stride

(chorus)

if today was your last day
and tomorrow was to late
could you say good-bye to yesterday?
would you live each moment as your last?
leave old pictures in the past?
donate every dime you have?

if today was your last day
if today was your last day

against the grain should be a way of life
whats worth the prize is always worth the fight
every second counts cuz there's no second try
so live like you never live it twice
don't take the free ride in your own life

(long chorus)

if today was your last day
and tomorrow was to late
could you say good-bye to yesterday?
would you live each moment like your last?
leave old pictures in the past?
donate every dime you have?
would you call those friends you never see?
reminisce of memories?
would you forgive your enimies?
would you find that one you're dreamin' of?
swear up and down to God above?
that you finally fall in love
if today was your last day

if today was your last day
would you make your mark, by mending a broken heart?
you know it never too late to shift for the stars regardless of who you are
so do whatever it takes
'cuz you can't rewind a moment in this life
let nothing stand in your way
'cuz the hands of time are never on your side

(chorus)

if today was your last day
and tomorrow was too late
could you say good-bye to yesterday?
would you live each moment like your last?
leave old pictures in the past?
donate every dime you have?
would you call those friends you never see?
reminisce of memories?
would you forgive your enemies?
would you find that one you're dreaming of?
swear up and down to God above?
that finally fall in love?
if today was your last day
