Ocean

BONNIE PINK

kumo no kirema ni nozoku Sunshine
naze ni hito wa uso o tsuku no taiyou no moto
kokoro wo nigoraseru jealousy
Please don't stir the fire
omoeba omou hodo zankoku ni naru no

When I hold you in my arms
All the secrets are revealed
When I hold you in my arms
It's warm 'n' cold
like the ocean

shio no nagare o niramu Surfer
naze ni hito wa mucha o suru no
like you have nothing to lose
kodoku to wa kakusu to iu koto kakusareru koto
asa made dakishimeta omou yori mo tsuyoku

When I hold you in my arms
All the secrets are revealed
When I hold you in my arms
It's warm 'n' cold
like the ocean

When I hold you in my arms
I feel torn and relieved
When I hold you in my arms
It's warm 'n' cold like the ocean
Like the ocean
Like the ocean
It's warm 'n' cold like the ocean
