# Down For Whatever

## P.y.t.

DFW, DFW
Me and my girls chillin' on the boulevard
Take a good look, you can see how fine we are
It's a hot night, we're lookin' air tight
Like movie stars looking for some fun
Looking for someone 'cuz this is where the good times are
Come on, baby, let's go
What's your pleasure, is it hoppin' or slow?
Not gonna measure, you've just gotta know
PYT forever
DFW, DFW
(Uh huh)
Down for whatever, PYT
DFW, DFW
Down for whatever with PYT
Out on the floor running hot and looking cool
Down with the DJ pumping sounds from the old school
Out into the light we're a fresh sight and we're blowin' your mind
Better not play, don't you walk away
'Cuz we're the best that you will ever find
Come on, baby, let's go
What's your pleasure, is it hoppin' or slow?
Not gonna measure, you've just gotta know
PYT forever
DFW, DFW
(Ooh, we're down)
Down for whatever, PYT

DFW, DFW
(Oh, oh)
Down for whatever with PYT
DFW, DFW
(Me and my girls)
Down for whatever PYT
DFW, DFW
(Uh, huh)
Down for whatever with PYT
Come on, baby, let's go
What's your pleasure, is it hoppin' or slow?

Not gonna measure, you've just gotta know
PYT forever
DFW, DFW
(I said we're down)
Down for whatever PYT
DFW, DFW
(Down down down)
Down for whatever with PYT
Break it on down for me
DFW, DFW
(Uh huh)
Down for whatever, PYT
DFW, DFW
Down for whatever with PYT
