Fruit Juice

Snoop Lion

This when you name, fruit juice
Number one you know me can't lose
Inna my garden mi get the fruit that me choose
Fruit juice
Inna my glass you know me can't lose
Take away my worry my stress and my bluesHigher level natural vibes what we give in
My princess say she love it when we write pon de riddim
Natural berries also very good for the system
Some tart, some sweet, mi just can't resist themSweet sap, knees berry, cantaloupe, soup sop
Pineapple, mango my taste buds tango
An ice cold beverage in my honey comb hideout
Chillin' with my beautiful empress we ah stand outHigher level natural vibes what we give in
My princess say she love it when we write pon de riddim
Natural berries also very good for the system
Some tart, some sweet, mi just can't resist themFruit juice
