Have You Looked Into Your Heart

Jerry Vale

Have you looked into your heart?
Did you find a memory or two?
Even though the flame has died
Maybe there's a spark inside
Have you looked into your heart?Have you searched through all your dreams?
Did you ever find a trace of me?
Even though you say we're through
That I'm not the one for you
Have you looked into your heart?When the evening shadows
Fall upon my window pane
I find I'm crying over and over
And over and over againEver since we've been apart
All I do is pray for your return
Take a look and you will see
Maybe there's a place for me
Have you looked into your heart?
