

# Trash Truck

## Tad

I used to know a place to go  
It's about time we went for a ride  
Just grab a hold and jump right in  
It's so empty, so empty here  
Trash truck, trash truck, in my head  
Trash truck, trash truck, get me outta here  
Trash truck, trash truck, in my head  
Trash truck, trash truck, get me outta here  
I'm knocking around and I'm really lost  
Things are getting really ugly around here  
Where does the smoke from the smokestacks go?  
Where does my garbage go when it's dead?  
Trash truck, trash truck, in my head  
Trash truck, trash truck, get me outta here  
Trash truck, trash truck, in my head  
Trash truck, trash truck, get me outta here
