Touch Of Heaven

Astropilot

Just a touch of heaven
Your eyes burn through me
Oh, like a raging fire
I fall blissfully everytime you say
Just one little word
You know it makes me crazy
You ask way too much, oh, when you say
That I can look but do not touch
I have never wanted any other girl
The way I want you, baby
I surrender to what I can't control
Drunk with desire, I've opened up my soul
You know I would go around the world
I'd take you anywhere
Oh, baby, anywhere
For a touch of heaven
Tell me what you want
I'll give you anything
Oh, baby, everything
For a touch of heaven
I have dreamed of this
Your body next to mine
Drowning in every kiss
How I've longed to find my one and only girl
And I found her in you, baby
All I ever wanted is everything that you are
Don't leave me longing, be tender with my heart
You know I would go around the world
I'd take you anywhere
Oh, baby, anywhere
For a touch of heaven
Tell me what you want
I'll give you anything
Oh, baby, everything
For a touch of heaven
Everyone says you've been leading me on
Too late for warnings, I'm already gone
I surrender to what I can't control
Drunk with desire, I'm giving you my soul

You know I would go around the world
I'd take you anywhere
Oh, baby, anywhere
For a touch of heaven
Tell me what you want
I'll give you anything
Oh, baby, everything
For a touch of heaven
I would go around the world
I'd take you anywhere
Oh, baby, anywhere
For a touch of heaven
Tell me what you want
I'll give you anything
Oh, baby, everything
For a touch of heaven
See, yeah, yeah, yeah
See, yeah, yeah, yeah
Just a touch
Just a touch of heaven
Yeah, yeah, yeah
