Lean Like A Cholo

Down

All the homies, they know what I mean
Baby, let me show you how I lean (like a cholo)
Lay back, bounce in the club,
When we do a dance, yeah, we do it like what (like a, like a cholo)Side to side
Elbows up side to side
Elbows up side to side
Elbows up side to side
Like a cholo All up in the club,
Ten deep, lookin' for some hynas, we on the pree
I need a bad one, a real freak
Find them at the dance floor, so don't sleep
Damn, I like you, I like you, but I really want her
She's that type , I can tell
Let me get into deep, take her back to the hotel
But right now I'm on the move
Show this little mama how a gangsta groove
I don't do a whole lot, just enough
Lean side to side, keep my elbows up, like this and like that
All the girls know where the real G's at
You could find us way up in the back
Watching that ass bounce like a low-lowI lean like a cholo
Side to side
Elbows up, side to side
Elbows up, side to side
Elbows up, side to sideI lean like a cholo
Side to side
Elbows up, side to side
Elbows up, side to side
Elbows up, side to side
Like a cholo I'm brown, I get down
The girls love, how I lean
Like a G, to the beat
Blue and white MJ's on my feet
I'm lookin' real good, I'm so hood
Gotta stay clean if you know what I mean
Pockets full of feria, mucho dinero
Look me in my eyes, tell me papi te quiero
Let me do my dance, you do yours
Shakin' what you got till you're sweating out your pores

Just like that, yeah I like that
I'm a perro, trying to chase that cat
Hey DJ, won't you play
That same track? Wind it back I can lean to that
Now she, wants me
And I ain't going home solo'Cause I lean like a cholo
Side to side
Elbows up, side to side
Elbows up, side to side
Elbows up, side to sideI lean like a cholo
Side to side
Elbows up, side to side
Elbows up, side to side
Elbows up, side to side
Like a cholo All the homies, they know what I mean
Baby, let me show you how I lean (like a cholo)
Lay back, bounce in the club
When we do a dance, yeah, we do it like what? (like a cholo)All the homies, they know what I mean
Baby, let me show you how I lean (like a cholo)
Lay back, bounce in the club
When we do a dance, yeah, we do it like what? (Like a, like a cholo)Side to side
Elbows up, side to side
Elbows up, side to side
Elbows up, side to sideI lean like a cholo
Side to side
Elbows up, side to side
Elbows up, side to side
Elbows up, side to sideI lean like a cholo
Side to side
Elbows up, side to side
Elbows up, side to side
Elbows up, side to sideI lean like a cholo
Side to side
Elbows up, side to side
Elbows up, side to side
?
