Fa Fa

Sixteen Feet

When you look in the mirror
Wish you were somebody else
Just a perfect reflection
You and no one elseMinutes run into hours
And hours run into days
You're still waiting for someone
Who never ever cameFa fa fa fa fa fa fa
Never be the same again
Fa fa fa fa fa fa fa
Never be the same againYou were always saying something
Swear you'd never say again
You were always saying something
Swear you'd never say againFa fa fa fa fa fa fa
Never be the same again
Fa fa fa fa fa fa fa
Never be the same againGo and run through the hallways
Find your way to the door
You will end up like always
Back where you were beforeThen you looked in the mirror
Wish you were somebody else
But it's still your reflection
You and no one elseYou were always saying something
Swear you'd never say again
You were always saying something
Swear you'd never say againFa fa fa fa fa fa fa
Never be the same again
Fa fa fa fa fa fa fa
Never be the same againNo matter where you go
You'll never find your way home
You'll never find your way home
No matter where you goYou were always saying something
Swear you'd never say again
You were always saying something
Swear you'd never say againFa fa fa fa fa fa fa
Never be the same again
Fa fa fa fa fa fa fa
Never be the same again
