

# Madman

## Djerv

I can't release you  
You're a mad man  
    Need help to  
    Madman, Madman  
You're tied to alcohol  
It starts to take its toll  
    Madman, Madman  
    Oh, Madman, Mad  
Mind filled with confusion  
Your life's an illusion  
    Madman, Madman  
    Oh  
    Ugh  
    Madman, Madman  
    Madman
