Everyone Who Casts a Shadow

Wolfsheim

Everyone who casts a shadow
Seems to stand in the sun
And when your step leaves a track
You seem to be going onI know myself, I know my shades
But I don't see no light
And if there's a track, it means no turning back
No matter what you tryEveryone who casts a shadow
Seems to stand in the sun
And when your step leaves a track
You seem to be going onEveryone
And when your step
Seem to be going onEveryone who feels his heartbeat
Seems to be still alive
And by a look into your eyes
I seem to know if you're lyingBut from time to time, there is more to life
Than just a muscle working deep inside
And to find the truth, it needs much more
Than just a look into an eyeEveryone who casts a shadow
Seems to stand in the sun
And when your step leaves a track
You seem to be going onEveryone who feels his heartbeat
Seems to be still alive
And by a look into your eyes
I seem to know if you're lyingEveryone
And when your step
Seem to be going on
