

# Ball of Confusion

## Love And Rockets

People moving out, people moving in  
Why? Because of the color of their skin  
Run, run, run but you just can't hide  
An eye for an eye  
A tooth for a tooth  
Vote for me and I'll set you free  
Rap on, rap on brother  
Rap on  
Well, the only person talking about love today is the preacher  
And it seems nobody gets just all the learning but the teacher  
Segregation, determination, demonstration,  
integration  
Aggravation, humiliation, devastation of our nation  
Ball of confusion  
That's what the world is today  
Hey, hey  
Ball of confusion  
That's what the world is today  
Hey, hey  
The sale of pills at an all time high  
Who put the filling in the primus sky?  
The city's a flame in the summer time  
And the beat goes on  
And the beat goes on  
And the beat goes on  
Economics, reaganomics, birth control, the status quo  
Shooting rockets to the moon, kids growing up too soon  
The Politicians say and the band plays on  
So, round and around and around we go  
Where the world's heading  
Nobody knows  
Ball of confusion  
That's what the world is today  
Hey hey  
Ball of confusion  
That's what the world is today  
Hey hey, hey hey  
Fear in the air, tension everywhere  
Unemployment rising fast  
Rockets new record's a gas  
And the band played on  
And the band played on  
And the band played on  
Eve of destruction, tax deduction, city inspectors, bill collectors  
Solid gold in demand, population out of hand, suicide  
Too many bills, everyone movin' to the hills  
People all over the world are dying in the war  
And the band played on  
And the band played on  
And the band played on  
Ball of confusion  
That's what the world is today  
Hey hey  
Hey, ball of confusion  
That's what the world is today

Hey heyBall of confusion, ball of confusion  
That's what the world is today  
Hey heyHey, ball of confusion, ball of confusion  
That's what the world is today  
Hey heyBall of confusion, ball of confusion  
Ball of confusion, ball of confusion  
That's what the world is today  
Hey heyBall of confusion  
That's what the world is today  
Hey hey, hey hey, hey hey, hey heyBall of confusion  
That's what the world is today  
Hey heyBall of confusion  
That's what the world is today  
Hey hey, hey hey, hey hey
