

# Red River

## Laika

Tell me where the blood red river runs  
From my back door to the rising sun  
On again away till dawn  
Never straight and way too longI weighed the trees and hills on scales  
The zig-zag lightning and killer whales  
Silver clouds reflected in deep  
I don't measure up, I don't measure upRed water's boiling the wind will blow it  
Halfway 'cross the ocean the wind will blow it  
Red water's boiling the wind will blow it  
Halfway 'cross the ocean the wind will blow itI am a liar, I rage on paper  
A piece of string could only do better  
Been talking for years it's hard to remember  
A piece of string could only do betterTell me where the blood red river runs  
From my back door to the rising sun  
On again away till dawn  
Never straight and way too long  
Way too long, way too long, way too longRed water's boiling the wind will blow it  
Red water's boiling the wind will blow it  
Red water's boiling the wind will blow it  
Red water's boiling the wind will blow
