

# The Salty Knowledge of Tears

## Soulwax

Somebody,  
take this love and run away  
'cause I don't care  
it is all i can say  
I KEEP ON LOSING YOU  
AND FINDING YOU  
Take me upstairs and  
into your arms  
Do not be deceived by my charms  
I KEEP ON LOSING YOU  
AND FINDING YOU  
That's why I fear  
all the salty knowledge of tears  
Just shut your mouth and kiss me  
just close your eyes  
punish yourself with a handkerchief  
I don't reply  
That's why I fear  
all the salty knowledge of tears
