

# You Know How We Do It

## Ice Cube

Yeah, yeah!  
Fool, you know how we do it West Side  
Comin' from the West Side  
Nothin' but the West Side Ain't nothin' goin on but the bomb ass rap song  
Hittin' all night long  
Just like me on the black and white ivory  
Gettin' six on artillery you don't want to see a G  
Break yo' ass like dishes  
Buster ass tricks sleep with the fishes  
Runnin' from Lennox up at Venice  
They want to have me in stripes, like Dennis the Menace  
But that ain't poppin', ain't no stoppin'  
Fo' hoppin, ass droppin', Coupe DeVille  
My truth can, i'll, fool I got skills  
So, back on up 'fore I check that chin  
Down as fuck and I'm full off Henn'  
You gets no love and I thought you knew it  
Fool, you know how we do it Comin' from the West Side  
West Side, comin' from the West Side Chillin' with the homies, smellin' the bud  
Double parked and I'm talkin' to Dub  
about who got a plan, who got a plot  
whom got got, and who got shot  
Cause everybody knows that he got the info  
Crazy Toones hangin out the window  
Fool I got them bomb-ass tapes  
Da Lench Mob, Planet of the Apes  
I'm down with Eiht, and Watts Up  
Kam is solo, they got nuts  
When Ice Cube write a sentence  
I want "The Bomb," just like George Clinton  
S-K-D is down to catch a body  
Put on Knee Deep, we'll turn out your party  
You gets no love and I thought you knew it  
Fool, you know how we do it You know how we do it Jack B. Nimble, and Jack B. Quick  
if you want to jack me on a lick, cause  
I'm that fool from South Central  
You think you stuck yourself, with a number 2 pencil  
That's how I poke hot lead in yo' ass  
With "Mo' Bounce to the Ounce" in the dash

Mash up, Ve-nice, headed for the West  
Everything is great, slow down for the dip  
On a 100 and 8th and keep mashin'  
Don't drink and drive to keep the fo' from crashin'  
Stashin a glock and I thought you knew it  
You know how we do itComin' from the West Side, West Side  
Nothin' but a West Side  
It's hittin' on the West Side  
Fool, you know how we do it
