

# World of Nightmares

## This Ending

Step into a World of Nightmares  
Each day a pattern of evil unveils  
Hear the choirs of suffering  
Feeding from the pain... dying time is here! This is your new god, a god that gives pain  
He takes you for granted and uses you for gain  
Bleeding for his ecstasy  
Tormented, torn apart You're his for the taking, defenseless and weak  
An instrument for wealth and his own sick harmony Bleeding for his ecstasy  
Tormented, torn apart Step into a World of Nightmares  
Each day a pattern of evil unveils  
Hear the choirs of suffering  
Feeding from the pain Awaken Nightmare, the end is nigh  
The terror is endless, how much can you bear?  
Dragged down by your weakness and chains that you wear Step into a World of Nightmares  
Each day a pattern of evil unveils  
Hear the choirs of suffering  
Feeding from the pain Step into a World of Nightmares  
Each day a pattern of evil unveils  
Hear the choirs of suffering  
Feeding from the pain No longer bleeding  
Living though dead
