## Chronixx

Listen me nuh daughter  
(Listen nuh baby, listen nuh baby)  
I know you tired of the stress  
And the strain and the city life  
Come make we drink jelly water (yes I)  
Darling make we make a narrow escape  
From the hustle and the bustle tonight

And I don't know where you wanna go  
But I'm willing to take you there  
Girl just be who you wanna be  
Once your with me baby have no fear  
So much beautiful things to see  
Girl don't waste you life  
And there is only one love to give,  
Girl we nah waste nuh time

And I don't know if ah beach or if a riverside  
But I wanna take you somewhere tonight  
And I don't know if ah beach or if a riverside  
And I nuh know if ah hill of valley, but ah  
Beg you come chill with chronixx tonight
