Fingertips

Madeleine

Twilight in your eyes
There ain't no surprise in this

Goodbye feels like we started just like this
With a kiss, just a kiss

Your lips; Harmless
They've got me hopelessly tongue-tied

In this last wish
That we get before the well runs dry
Tonight

CAUSE TOMORROW'S A BEGGAR
THAT BORROWS AND STEELS
ALL THE LOVE FROM FOREVER
THAT WE TRIED TO BUILD
PIECE BY PIECE, BIT BY BIT
THROUGH OUR FINGERTIPS

Throwaway words like fractures
Spread through us like a spider web

We search for comfort
And hope the fragments we've left will let us forget

CAUSE TOMORROW'S A BEGGAR
THAT BORROWS AND STEELS
ALL THE LOVE FROM FOREVER
THAT WE TRIED TO BUILD
PIECE BY PIECE, BIT BY BIT
THROUGH OUR FINGERTIPS

Sifting through sorries for something to say
Drifting from dreams that were stolen away

CAUSE TOMORROW'S A BEGGAR
THAT BORROWS AND STEELS
ALL THE LOVE FROM FOREVER

THAT WE TRIED TO BUILD

CAUSE TOMORROW'S A BEGGAR
THAT BORROWS AND STEELS
ALL THE LOVE FROM FOREVER
THAT WE TRIED TO BUILD
PIECE BY PIECE, BIT BY BIT
THROUGH OUR FINGERTIPS

PIECE BY PIECE, BIT BY BIT
THROUGH OUR FINGERTIPS
