

We Belong to the Night (Live St. Louis 1982)

UFO

Ruby darling's got a crazy walk
The boys love her with that dirty, dirty talk
Singles bar with the broken light
Easy touch, a lady of the night* ruby darling I need you
Cross my heart and promise to be true** and you tell me that you can't change
Your life's been set, prearranged
Hold on tight 'til the morning light 'cause
We belong to the night Well-known face in every door
Street kids come and try to make a score
Patrol car stopped talk for a while
But they let you go with a warning and a smile* repeat
** repeat[instrumental]** repeat Life goes on down the streets
Contacts made where the gay boys come to meet
Keep saying it's your last night
Give up this life for me without a fight* repeat
** repeat twice
