High Hopes (Filous Remix)

Kodaline

Broken bottles in the hotel lobby
Seems to me like I'm just scared of never feeling it again
I know it's crazy to believe in silly things
But it's not that easyI remember it now, it takes me back to when it all first started
But I've only got myself to blame for it, and I accept it now
It's time to let it go, go out and start again
But it's not that easyBut I've got high hopes, it takes me back to when we started
High hopes, when you let it go, go out and start again
High hopes, oh, when it all comes to an end
But the world keeps spinning aroundAnd in my dreams, I meet the ghosts of all the people who have come and gone
Memories, they seem to show up so quick but they leave you far too soon
Now evil is just staring at the barrel of a gun
And I do believeBelieve I've got high hopes
It takes me back to when we started
High hopes, when you let it go, go out and start again
High hopes, oh, when it all comes to an end
And the world keeps spinning
Yeah, the world keeps spinning aroundHigh hopes, it takes me back to when we started
High hopes, when you let it go, go out and start again
High hopes, oh,
And the world keeps spinning
Ooh, yeah this world keeps spinningHow this world keeps spinning around
