Fix Me (Gorgeous George Club Mix)

Velvet

Lately I've been feeling strange
Deep down inside
Something kinda hard to explain
Like butterflies
Suddenly I'm only longing for the hot stuff
Something inside me tells me this is real
Now I've got the vibe tell me that's the same way you feel for meChorus:
So baby can you fix me
Cause my fever
Is only getting stronger
It's burning like a fire
Baby let's rock the night awaySo baby can you fix me
Cause my body
Suffers from my hunger
A superstrong desire
Baby let's rock the night awayVerse 2.Sitting by the telephone
Hoping that you will call
My friends say that I'm crazy that I'm
Just wasting my time
But you turn me on
Got me longing for the hot stuff
Something inside me tells me this is real
Now I've got the vibe tell me that's the same way you feel for me
ow-oooh yeah ih yeahChorus:
So baby can you fix me
Cause my fever
Is only getting stronger
It's burning like a fire
Baby lets rock the night away
(let's rock the night away)So baby can you fix me
Cause my body
Suffers from my hunger
A superstrong desire
Baby let's rock the night awayBridge:
I'm over the top with you baby
