## Fix Me (Gorgeous George Club Mix)

## **Velvet**

Lately I've been feeling strange

Deep down inside

Something kinda hard to explain

Like butterflies

Suddenly I'm only longing for the hot stuff

Something inside me tells me this is real

Now I've got the vibe tell me that's the same way you feel for meChorus:

So baby can you fix me

Cause my fever

Is only getting stronger

It's burning like a fire

Baby let's rock the night awaySo baby can you fix me

Cause my body

Suffers from my hunger

A superstrong desire

Baby let's rock the night awayVerse 2.Sitting by the telephone

Hoping that you will call

My friends say that I'm crazy that I'm

Just wasting my time

But you turn me on

Got me longing for the hot stuff

Something inside me tells me this is real

Now I've got the vibe tell me that's the same way you feel for me

ow-oooh yeah ih yeahChorus:

So baby can you fix me

Cause my fever

Is only getting stronger

It's burning like a fire

Baby lets rock the night away

(let's rock the night away)So baby can you fix me

Cause my body

Suffers from my hunger

A superstrong desire

Baby let's rock the night awayBridge:
