

# My Muse

## George Cables

I can't get these memories out of my mind  
It's some kind of madness that started to evolve (m-m-m-madness).  
And I, I tried so hard to let you go  
But some kind of madness is swallowing me whole,  
yeah (m-m-m-madness)  
I have finally seen the light  
I have finally realized what you mean  
And now, I need to know is this real love  
Or is it just madness keeping us afloat (m-m-m-madness)  
And when I look back at all the crazy fights we had  
Like some kind of madness was taking control,  
yeah (m-m-m-madness)  
But now I have finally seen the light  
And I have finally realized what you need  
(M-m-m-madness)  
But now I have finally seen the end (Finally seen the end)  
And I'm not expecting you to care (Expecting you to care)  
But I have finally seen the light (Finally seen the light)  
But I have finally realized  
I need your love  
I need your love  
Come to me  
Just in a dream  
Come on and rescue me  
Yes I know I can't be wrong  
Maybe you're too headstrong  
Our love is m-m-m-m-madness(M-m-m-madness)
