

# Who's Foolin' Who

## One Way

You thought when you had left me  
That you'd really tear me apart  
But what you did not understand  
Is that you really didn't own my heart  
You went out and did everything  
You made me stay at home  
But all the time while you were out there girl  
I wasn't always at home alone  
Tell me who  
Who's fooling who  
Are you fooling me  
Or I am fooling you  
Who's, who's fooling who  
Who's fooling who  
Were you fooling me  
Or was I fooling you  
You see while you thought  
You were seeking away from me  
There was always someone else  
That I was waiting to see  
But that's really not important now  
It's all over said and done  
And now that the truth is out little girl  
You weren't the only one havin' fun  
Tell me who  
Who's fooling who  
Were you fooling me  
Or was I fooling you  
Who, who's fooling who  
Are you foolin me,  
Or am I foolin' you  
You see I got the last laugh  
You'va laughed all that you could  
But what you didn't know little girl  
Is that I always had the winning hand  
Tell me who  
Who's fooling who  
Are you fooling me  
Or I am fooling you  
Who, who's foolin who  
Are ya foolin' me,  
Or am I foolin' you  
Tell me baby, who's foolin' who  
Were you foolin' me or was I foolin' you  
Won't ya tell me  
Who is foolin who  
Who is foolin who  
Who is foolin who

Who is foolin who Who is foolin who  
Who is foolin who  
Who is foolin who  
Who is foolin who Who is foolin who  
Who is foolin who  
Who is foolin who  
Who is foolin who Who is foolin who  
Who is foolin who  
Who is foolin who  
Who is foolin who Now tell me who (Who is foolin who)  
Who's foolin' who (Who is foolin who)  
Were you foolin' me (Who is foolin who)  
Or was I foolin' you (Who is foolin who) Who, (Who is foolin who)  
Who's foolin' who (Who is foolin who)  
Were ya foolin' me (Who is foolin who)  
Or was I foolin' you (Who is foolin who) Who was foolin who (Who is foolin who)  
(Who is foolin' who)  
Were ya foolin' me for my foolishness girl (Who is foolin who)  
Or was I foolin' you (Who is foolin who)
