## Stomy Bussy

Oh lover, don't you dare slow down  
Go longer, you can last more rounds  
Push harder, you're almost there now  
So go lover, make mama proud  
And when we're done  
I don't wanna feel my legs  
And when we're done  
I just wanna feel your hands all over me, baby  
You can't stop there  
Music still playing in the background  
And you're almost there  
You can do it, I believe in you, baby  
So close from here  
Baby, I'ma be your motivation  
Go, go, go, go  
Motivation  
Go, go, go, go  
Uh, girl I turn that thing into a rain-forest  
Rain on my head, call that brainstorming  
Yeah this is deep, oh, but I go deeper  
Make you lose yourself and finders keepers  
It go green light, go Weezy go  
I like to taste that sugar, that Sweet and Low  
But hold up wait, new position  
I put her on my plate then I do the dishes  
She my motivation, I'm her transportation  
'Cause I let her ride while I drive her crazy  
Then I just keep going, going, like I'm racing  
When I'm done she hold me like a conversation  
Weezy, baby  
And when we're done  
I don't wanna feel my legs  
And when we're done  
I just wanna feel your hands all over me, baby  
You can't stop there  
Music still playin' in the background  
And you're almost there  
You can do it, I believe in you baby  
So close from here

Baby, I'ma be your motivation  
Oh lover, when you call my name  
No other can do that the same, no  
I won't let ya get up out that game, no  
So go lover, don't it make me rain?  
And when we're done  
I don't wanna feel my legs  
And when we're done  
I just wanna feel your hands all over me, baby  
You can't stop there  
Music still playin' in the background  
And you're almost there  
You can do it, I believe in you baby  
So close from here  
Baby, I'ma be your motivation
