

More Than You Know

Eddie Vedder

More than you know
More than you know
Lately I find you're on my mind
More than you know Whether I'm right
Whether I'm wrong
I need you so
More than you know
More than you know Ooh, loving you the way that I do
Oh, there's nothing I can do about it
And a little bit of love that I get maybe all
That you can give but I can't live without it Oh how I'd cry, oh how I'd cry
Ooh, if you got tired and said goodbye
More than I'd show
More than you'd ever, ever know
More than you know More than you'd ever, ever know
More than you know
