

# Hold You To It

Chris Young

Girl, you wear the hell out of that dress  
I can hardly catch my breath  
When I see you look this way  
And I've been sitting here all night long  
Waiting on your favorite song  
It's finally starting to play Baby, do you feel that bass line pumpin'  
Tell me, can you hear that kick drum thumpin' on the 2 and 4  
Let's get on that floor  
Love to hear the slide of the guitar ringin'  
Melody's saying everything I'm thinking  
And I'm starting to  
To think you think it too  
I love the way you're movin'  
Feel the back-beat groovin'  
I wanna hold you to it Damn, when you start to sway your hips  
I start thinkin' about your lips  
On mine and mine on them  
And I love dancin' with you so much  
I ask the DJ to turn it up  
And keep playin' that song again,  
And again and again Baby, do you feel that bass line pumpin'  
Tell me, can you hear that kick drum thumpin' on the 2 and 4  
Let's get on that floor  
Love to hear the slide of the guitar ringin'  
Melody's saying everything I'm thinking  
And I'm starting to  
To think you think it too  
I love the way you're movin'  
Feel the back-beat groovin'  
I wanna hold you to it Baby, do you feel that bass line pumpin'  
Tell me, can you hear that kick drum thumpin' on the 2 and 4  
Let's get on that floor  
Love to hear the slide of the guitar ringin'  
Melody's saying everything I'm thinking  
And I'm starting to  
To think you think it too  
I love the way you're movin'  
Feel the back-beat groovin'  
I wanna hold you to it
