

Spirits (YouTube Cut)

Jamie Woon

While we have oceans
Rivers that still bring us life
Reasons to live in the moment
Hold onto your timeLet your heart go where the wind takes it
Pure like the raindrops of time
Follow the path where it takes you
Straight down the lineLadies and gentlemen
Surely we're here in mind
Watching our spirits dance on the
On the backs of our livesHow can one sit back and dream it
I'd have no peace in my life
Climbing these walls in an hourglass
Prized in our strifeAnd I have seen worlds filled with wonder
Lost on my own lonely mile
Lessons I wish that I had mirrored
Time after timeLadies and gentlemen
Surely we're here in mind
Watching our spirits dance on the
On the backs of our livesWhile we have oceans
While we have oceans
While we have oceans
Rivers that still bring us life
Reasons to dance in the moment
Hold onto your timeCome fill up your souls with our blessings
Hold up your hands to the sky
Let the whole world know you're out there
High in our highsLadies and gentlemen
Surely we're here in mind
Watching our spirits dance on the
On the backs of our lives
