

Don't Touch Me

Eyeris (Creep-P)

COMPUTER ADDICT
STARING AT THE SCREEN
VIRTUAL REALITY
BUT REALITY WANTS TO SCREAM

BITING ON MY TONGUE
TAKE IT FOR TOO LONG
IT'S GONE TOO FAR
I SEE MYSELF SLIPPING

'PSYCHO...
CRAZY...
MENTAL...'
NEW LABELS ADDED ON

PLEASE STOP TALKING
PLEASE STOP TALKING
PLEASE FOR THE LOVE OF GOD
PLEASE STOP FUCKING TALKING

INTERNET WILL--
INTERNET HAS--
INTERNET WHAT--
INTERNET'S DEAD

INTERNET'S GOOD
INTERNET'S GREAT
INTERNET'S RUDE
INTERNET'S DEAD

DON'T LET THEM SEE
DON'T LET THEM SEE
DELETE YOUR BROWSER HISTORY

LET THEM SEE LIES
BUT YOU WILL DIE
FABRICATED TRUTH OF ALL THE DECEASED

"Sorry for your loss..."

He was a lost cause
He just said goodbye
I'm a little liar, I'll die in the fire

Please don't touch me
Don't fucking touch me
"I lie that I'm fine" I will decree

"Sorry for your loss, man..."
"Knew him like the back of my hand."
You're a little liar
You'll die in the fire

We'll call for mommy
As we stop crying
At the age of 12
TV taught us well
Don't be regular
You're a predator
"Let's be creative..."
You're prohibitive!!

Love is dead at 6AM
Still learning ABCs
Paranormal movies
Videos; teeth pulling
Kids in town are dead
Facts crawl under my skin
Stuck in a room of red
Letting demons win!!

Are we done, are we gone
I'm tired. I'm tired
Can we stop now?
I'm so tired, so worn out

Please stop talking
Please don't touch me
Please stop talking
DON'T FUCKING TOUCH ME

I'M SO TIRED OF THIS BULLSHIT
I WENT ON IT'S ALL GONE
I'M TIRED OF THIS SHIT
I'M DONE, FINISHED

TIRED OF THIS SHIT
