Good Thing

Fine Young Cannibals

The one good thing in my life
Has gone away, I don't want to know why
She's gone away I don't know where
Somewhere I can't follow herThe one good thing didn't stay too long
My back was turned and she was goneGood thing where have you gone?
My good thing you've been gone too longPeople say I should forget
There's plenty more don't get upset
People say she's doin' fine
Mutual friends I see sometimeThat's not what I want to hear
I want to hear she wants me nearGood thing where have you gone?
My good thing you've been gone too long?Then one day she came back
I was so happy that I didn't ask
Morning came into my room
Caught me dreaming like a foolGood thing, good thing
My, my, my, my good thing where have you gone?
My good thing, my good thing, girl where have you gone?
It's been so long
[Incomprehensible]
