

I Dreamed I Was In Heaven

[Charlie Landsborough](#)

Last night I dreamed I was in heaven
But your weren't there
And I was crying like a baby
Looking for you everywhere
And I saw waterfalls of life
Stars that didn't need a night
Somehow heaven wasn't right
Without you Without you
My heart could never be free
Without you heaven couldn't be heaven to me Everyone I meet was smiling all sorrow gone
Full of lonesness inside me I wander on
And all the death had been destroyed
Forever cast into the void
Heaven couldn't be enjoyed
With out you Without you
My life could never be free
Without you heaven couldn't be heaven to me
