I Believe In Love

BarlowGirl

How long will my prayer seem unanswered?
Is there still faith in me to reach the end?
Im feeling doubt, Im losing faith
But giving up would cost me everythingSo Ill stand in the pain and the silence
And Ill speak to the dark nightI believe in the sun even when its not shining
I believe in love even when I dont feel it
And I believe in God even when He is silent
And I, I believeThough I cant see my stories ending
That doesnt mean the dark night has no end
Its only here that I find faith
And learn to trust the One who writes my daysSo Ill stand in the pain and the silence
And Ill speak to the dark nightI believe in the sun even when its not shining
I believe in love even when I dont feel it
And I believe in God even when He is silent
And INo dark can consume light
No death greater than this life
We are not forgotten
Hope is found when we say
Even when He is silentI believe in the sun even when its not shining
I believe in love even when I dont feel it
And I believe in God even when He is silent
And I, I believe, I believe, I
