

# Hanging Up

**Lauren Pritchard**

What do you want me to do with myself tonight?  
'Cause I'm feeling lonely  
What do you want me to say, like, do or mind  
That you're out getting dirty I don't think you even know who you do it for  
You just wanna show me  
I think I'm finally done with this  
I think it's time you heard the quake I'm hanging up  
Pulling out of this misery  
I'm hanging up  
'Cause this is never gonna shift for me I'm giving up  
And yeah, I think that's all it is  
Or was it always obvious, yeah A former partner, you know that it's all you need  
With an invitation  
What do you mean you can't make any time for me  
To see a movie later I guess I misunderstood  
So would you be good that would you be friendly?  
You never tried very hard  
So babe, this is O-V-E-R Hanging up  
I'm pulling out of this misery  
I'm hanging up  
'Cause this is never gonna shift for me I'm giving up  
And yeah, I think that's all it is  
Or was it always obvious, yeah Oh, I'm hanging up  
Pulling out of this misery  
I'm hanging up  
'Cause this is never gonna shift for me I'm giving up, oh  
And yeah, I guess that's all it is  
Or was it always obvious, yeah Hanging up  
Pulling out of this misery  
I'm hanging up  
'Cause this is never gonna shift for me I'm giving up, oh  
And yeah, I think that's all it is  
Or was it always obvious, yeah
