

# God and I

Crystal Lewis

I have pride, He is meek  
I have shame, He is glory  
I'm deceitful, He is truthful  
I'm not worthy but He is the giver His death for my life  
God and I  
If apart from Him, I know I will surely, surely die  
I know that I'm not much to give  
It's only for His love that I have my life to live He has fullness, I am so empty  
He is love, I need so much love  
He is always there, I am always found  
He is the giver, I'm not worthy His death for my life  
God and I  
If apart from Him, I know I will surely, surely die  
I know that I'm not much to give  
It's only for His love that I have my life to live
