Therapy?

Judas, Judas
I thought you were my friend
Judas, Judas
You're just the same as them I'm in hell and I'm alone
I'm in hell and I'm alone
I'm in hell and I'm alone
I'm in hell and I'm alone Liar, liar
You said you'd stay with me
Liar, liar
Laughing as you leave I'm in hell and I'm alone
I'm in hell and I'm alone
I'm in hell and I'm alone
I'm in hell and I'm alone I thought you were my friend
You're just the same as the rest
I thought you were my friend
You're just the same as the rest User, user
You sucked it all from me
User, user
Your bullshit I believed I'm in hell and I'm alone
I'm in hell and I'm alone
I'm in hell and I'm alone
I'm in hell and I'm alone I'm in hell and I'm alone
I'm in hell and I'm alone
I'm in hell and I'm alone
I'm in hell and I'm alone
