Eventually

Rob Blaikie

One two three four
Open your eyes, undo the seem
It's not like before, it's not just a dream
A hint of a smile as your hand touches mine
No longer alone, I feel them entwine
Ah, ah, ah, ah, ah, eventually
I'm holding your hand, you say quietly
Baby, don't go, stay here with me
So this is it, to you I belong
No more goodbyes, we knew all along
Ah, ah, ah, ah, ah, eventually
Open you eyes, shh
It's not just a dream
Ah, ah, ah, ah, ah, eventually
