

# Alethea (John Peel Session)

## Robin Trower

If you stand in the light, you get the feel of the ride  
And the music that plays in your ears  
In your head you can hear, a voice so sweet and clear  
And the music that plays in your head  
As it flows up from the ground  
Taking all who hear that sound  
Close your eyes, its about to begin  
Hardly daring to breath, a new life you perceive  
You try hard not to break the spell  
While at once it seems both, so far and yet so close  
If you reach out to touch, it will be gone  
As it flows up from the ground  
Taking all who hear that sound  
Close your eyes, its about to begin  
Close your eyes, its about to begin  
Close your eyes, its about to begin  
Close your eyes, its about to begin
