

# What's Love Got to Do With It

Tina Turner

You must understand how the touch of your hand  
Makes my pulse react  
That it's only the thrill of boy meetin' girl  
Opposites attract  
It's physical  
Only logical  
You must try to ignore that it means more than that Oh oh  
What's love got to do, got to do with it?  
What's love but a second hand emotion?  
What's love got to do, got to do with it?  
Who needs a heart when a heart can be broken? It may seem to you that I'm acting confused  
When you're close to me  
If I tend to look dazed I've read it someplace  
I've got cause to be  
There's a name for it  
There's a phrase that fits  
But whatever the reason you do it for me Oh oh  
What's love got to do, got to do with it?  
What's love but a second hand emotion?  
What's love got to do, got to do with it?  
Who needs a heart when a heart can be broken?  
Huh I've been takin' on a new direction  
But I have to say  
I've been thinkin' about my own protection  
It scares me to feel this way Ho oh  
What's love got to do, got to do with it?  
What's love but a second hand emotion?  
What's love got to do, got to do with it?  
Who needs a heart when a heart can be broken? (What's love?)  
Got to do, got to do with it  
What's love but a sweet old fashioned notion?  
What's love got to do, got to do with it?  
Who needs a heart when a heart can be broken? (What's love?)  
Got to do  
Huh, got to do with it  
(What's love but a second hand emotion?)  
What's love got to do, got to do with it?  
Who needs a heart when a heart can be broken?  
What's love?

(Ooh, ooh)  
Got to do it  
Got to do it  
What's love?  
(But a second hand emotion?)
