

Juggernaut

Two Steps from Hell

I have suffered
For your sins
But now is when
My fun begins
If I hit you
Turn your cheek
You are righteous
But you are weak
Orgy-Porgy, Ford and fun
Kiss the girls and make them one
Boys at one with girls at peace
Orgy-Porgy gives release
American dream
Turns to dust
So give us a God
That does not rust
Points of light
Quickly fade
You are food
But you are saved
Juggernaut
This is it
We've reached the border
This is it
The New World Order
If I die
Before I wake
I pray
The Order
My soul to take
Orgy-Porgy, Ford and fun
Kiss the girls and make them one
Boys at one with girls at peace
Orgy-Porgy gives release
