Ride the Jack

Badlands

Live on a subway "Graffiti hall"
Said it one more time
Taking time to save my soul
Still alive, in a bar maid
Said it weren't my time
Paid my dues they say belong
Ahh, ahh, somthin's wrong with the picture now
Ahh, ahh, the words don't seem to fit
Ahh, ahh, somethin's wrong with the picture now
Blood will spill
Everybody round town
Ride the Jack
You ride the Jack
Said it weren't my time
Nothin' to do but lay low
I know, I know, I know
Said it weren't my time
Set my dues, its eerie (oh)
Ahh, ahh, somthin's wrong with the picture now
Ahh, ahh, the words don't seem to fit
Ahh, ahh, somethin's wrong with the picture now
Blood will spill
Everybody round town
Rides the Jack
You ride the Jack
Ahh, ahh, somthin's wrong with the picture now
Ahh, ahh, the words don't seem to fit
Ahh, ahh, somethin's wrong with the picture now
Blood will spill
Everybody round this town
Rides the Jack
You ride the Jack
You ride the Jack
You ride the Jack
