

Ride the Jack

Badlands

Live on a subway "Graffiti hall"

Said it one more time

Taking time to save my soul

Still alive, in a bar maid

Said it weren't my time

Paid my dues they say belong

Ahh, ahh, somethin's wrong with the picture now

Ahh, ahh, the words don't seem to fit

Ahh, ahh, somethin's wrong with the picture now

Blood will spill

Everybody round town

Ride the Jack

You ride the Jack

Said it weren't my time

Nothin' to do but lay low

I know, I know, I know

Said it weren't my time

Set my dues, its eerie (oh)

Ahh, ahh, somethin's wrong with the picture now

Ahh, ahh, the words don't seem to fit

Ahh, ahh, somethin's wrong with the picture now

Blood will spill

Everybody round town

Rides the Jack

You ride the Jack

Ahh, ahh, somethin's wrong with the picture now

Ahh, ahh, the words don't seem to fit

Ahh, ahh, somethin's wrong with the picture now

Blood will spill

Everybody round this town

Rides the Jack

You ride the Jack

You ride the Jack

You ride the Jack

You ride the Jack
