Head Honcho

Gown

Ah, the face of an angel
The wings of a dove
The heart of a lion
It's pumping with loveOnce in a lifetime
From out of our dreams
It's the shape of man and motorcycle
The captain of our teamLike a Native American Brave
Who lives by the stream
He's riding his stallion
And catching the dreamWhen your soul is flying through the flames
And burning fires of love
Then a life of jumps to dare the devil fits you like a gloveHead Honcho, he will show
us how to succeed
The muscle; the hustle
You gotta believeWhen your soul is flying through the flames and burning fires of love
Then a life of jumps to dare the devil fits you like a glove (like a glove)So what does this mean?
How far can he go?
I don't know the answer
We've come for the showHead Honcho, he will show
us how to succeed
The bustle; the hustle
You gotta believeHead Honcho, he will show
us how to succeed
The muscle; the hustle
You gotta believeHe will fight fight fight fight fight for peace
To the death
