

Superstar (interlude)

Usher

This goes out to you
You, my number one
I won't stop until I see you, sugar
You know who you are
This is for my number one, number one
So many shows, swear wherever I go
I'm gonna keep on lookin', yeah
This goes out to you, baby
Wherever you are
Just know that you're mine
Are you there?
I can't hear you
On the road doin' shows

Girl, I can't get you off my mind
All around the world
So many faces
All these places
Girl, I just need one
My number one
This is for you
You, my number one
Usher!
Usher!
Usher!
Usher!
Usher!
