

Girl They Won't Believe It

Joss Stone

Get your head out your dreams they would say
Oh, Shot me down time and time again
Stubborn little girl, she refuses to change
Catch a cloud, but you can't pin me down Girl, they won't believe it
I finally found some sweet through the bitters of life
Oh, oh
Girl, they won't believe it
In a world where the sun's even shining inside Took a minute but I caught it
They won't believe it
Now I'm in love a deeper way
Tell me, who would have thought this could satisfy me?
All I need is a kiss from a melody Oh, oh
Girl, they won't believe it
Girl, they won't believe it
That I've finally found some sweet through the bitters of life
Oh, oh
Girl, they won't believe it
Girl, they won't believe it
In a world where the sun's even shining inside
Oh
Girl, they won't believe it
I've finally found something sweet through the bitters of life
Oh, oh
Girl, you won't believe it
In a world where the sun's even shining inside
Oh, you won't believe it
Girl, they won't believe it
I finally found some sweet through the bitters of life Oh, oh, say: 'girl, they won't believe it.' Girls say it now
Say with me
Oh, ho
Girls say it now
Say with me
Oh, ho
Girls say it now
Say with me
Oh, ho
