Bloodstone

Stratovarius

I've been trying
There's no denying
It's sending me
Out of my mindI've seen reason
Change to treason
It's losing it's sense
Of all kindHow much longer will it take
For the world to see
We should learn to live
And simply let it be
Bloodstone, bloodstoneIn the night time
Wake in fright
I'm so scared of the game
That's being playedStart to wonder
What's going under
And how many deals
Have been madeHow much longer will it take
For the world to see
We should learn to live
And simply let it be
Bloodstone, bloodstoneBloodstone
I can't take it
You got me living
On a bloodstone
I don't want that bloodstone
