

Oh, Father

Baha Men

Theres something that I want to say to you
It just is right what were going through
Wont you try to understand? I lie on your wisdom every day
Youve been the light that guides my way
No one could ever take your place. Oh Father, please believe in me
Oh Father, this is how it get to be
I know you love me but you gotta let go
Oh Father, every flower has to go. Can you accept for who I am?
Just for this moment please be my friend.
I need to know youre there for me. I will feel much better when I know
That you are ready to let me go
I found someone who I like to know. Am I wrong? It feels like Ive been waiting so long
Oh, dont wanna hurt you
Youve always taught me the way for road. Oh Father, please believe in me... Every flower has to go (2X) Can you
tell me, what should I had to wait so long?
Not gonna hurt you.
I think I know its away from home. Oh Father, please believe in me... Every flower has to go (2X) Oh Father,
please believe in me.
