

# Our Farewell

## Within Temptation

In my hand  
A legacy of memories  
An' I can hear you say my name  
I can almost see your smile  
Feel the warmth of your embrace  
But there is nothing but silence now  
Around the one I loved  
Is this our farewell? Sweet darling, you worry too much, my child  
See the sadness in your eyes  
You are not alone in life  
Although you might think that you are Never thought  
This day would come so soon  
We had no time to say goodbye  
How can the world just carry on?  
I feel so lost when you are not at my sight  
But there is nothing but silence now  
Around the one I loved  
Is this our farewell? Sweet darling, you worry too much, my child  
See the sadness in your eyes  
You are not alone in life  
Although you might think that you are
