

# To The Stars (Rob Da Bank Remix)

## Modestep

Now that you've gone to the stars  
Now that the storm has finally come  
So now that you've gone to the stars  
Now that the storm has finally comeWhen these colors fade to gray,  
    You're a million miles away.  
    You're a million miles away.  
    You're a million miles away.  
When these colors fade to grayNow that you've gone to the stars  
Now that the storm has finally comeSo now that you've gone to the stars  
    Now that the storm has finally come  
    Now that the storm has finally come  
Now that the storm has finally comeWhen these colors fade to gray,  
    You're a million miles away.  
    You're a million miles away.  
    You're a million miles away.  
When these colors fade to gray...So now that you've gone to the stars  
    Now that the storm has finally come  
Now that the storm has finally comeNow that you've gone
